~~~~~		<p>“Beyond the Sunset - Together Forever”(on back)</p> <p>Looking Back on the Memory of the dance we shared beneath the stars above, For a moment all the world was ours,How could I have known that you’d ever say goodbye. Holding you, I held everything. For a moment...wasn’t I a king But if I’d only known how the king would fall, Hey, who’s to say, you know... I might a changed it all. And now I’m glad I didn’t know The way it all would end, The way it all would go Our lives are better left to chance, I could a missed the pain, but I’da had to miss... the dance. Yes our lives are better left to chance, We could’ve missed the pain but We’d had to miss...The Dance. “The Dance” Thanks Garth Brooks and Tony Arata</p>
